Campus Intelligence

Anti-CIA students at Yale, Wisconsin and Colorado have demonstrated against the agency for recruiting on campus. Their behavior, often uncivil and always un-Yuppie, hasn't impressed many of their peers. Accord-

ing to a spokeswoman at Colorado University in Boulder, the arrests of 470 students for illegally demonstrating were followed by "calls from dozens of students wanting to interview with the CIA." Some hopeful interviewees had to be turned down by too-busy CIA recruiters.
